

Application window 2020

Dates to retain

Below, please find important dates to retain during the full Project Proposal development Phase. Dates in bold are final deadlines. Consortia are free to submit at earlier dates than those indicated below, and will then receive more swift feedback.

Application deadline	15 September 2020 13.00 CEST (Danish Summertime)
Interviews with shortlisted applicants	November 2020
Invitation to develop full project document to selected applicants	No later than 8 December 2020
Individual start-up meetings with invited consortia	January 2021
Joint information meetings on DMDP guidelines and procedures	December 2020 - February 2021
First consortia field trips	January- February 2021
Submission of Draft ToC and Results Framework	19 February 2021
Feedback on ToC and results framework	5 March 2021
Submission of draft full project proposal	20 April 2021
Comments to draft full project proposal to applicants	5 May 2021
Submission of full project proposal	28 May 2021
Assessment and approval	Mid June 2021
Project start	From 1 July 2021

Brief presentations followed by Q&A sessions will be organised on:

- a. Full project proposal development phase – process, deadlines, expectations, and formats;
- b. ToC and results framework
- c. Responsible Business Conduct
- d. DMDP Administrative Guidelines

Targeted staff in each consortium are expected to participate. Individual follow-up meetings with consortia will be organized on an ad hoc basis during the co-creation process.
